Committee Meetings

meetings are typically closed to the public. In addition, members are expected to participate on ASAC subcommittees that typically meet more frequently to deliberate and discuss specific aviation matters.

Committee Membership

Committee members are appointed by and serve at the pleasure of the TSA Administrator for a 2-year term or until a successor is appointed. Members who are currently serving on the Committee are eligible to reapply for membership. A new application is required.

Committee Membership Vetting

All applicants that are presented for appointment to ASAC must successfully complete a Security Threat Assessment (STA) by TSA, as access to sensitive security information will be necessary. U.S. citizens and those meeting residency requirements will be vetted using TSA's Universal Enrollment Services (UES), which includes the collection of biographic and biometric information to allow TSA to perform the STA in regards to criminal history, intelligence, and citizenship. Selected applicants will be offered a no-cost authorization code to complete the three-step UES process; which includes online pre-enrollment, coordinating a visit to an enrollment center, and the in-person visit to the enrollment center.

Non-U.S. applicants presented for appointment to ASAC, will be required to complete additional vetting. This vetting will include the completion and submission of TSA Form 2816B form, and must be submitted at least 30 days prior to visiting TSA spaces.
